(hereafter referred to as "VAS") for the VAS software that accompanies this EULA, including computer software and any associated media, printed materials, "online" or electronic documentation, and Internet-based services hereafter referred to as ("SOFTWARE"). An amendment or addendum to this EULA may accompany the software. YOU AGREE TO BE BOUND BY THE TERMS OF THIS EULA BY INSTALLING, COPYING OR OTHERWISE USING THE SOFTWARE, IF YOU DO NOT AGREE, DO NOT INSTALL, COPY OR USE THE SOFTWARE; YOU MAY RETURN IT TO YOUR PLACE OF PURCHASE FOR A FULL OR PARTIAL REFUND WITHIN 90 DAYS OF DELIVERY DATE, IF APPLICABLE.

USER LICENSE AGREEMENT LIMITED USE: VAS hereby grants USER a limited, non-transferable, license to use the SOFTWARE in the manner described in this Agreement when purchased. Regardless of the method of marketing the Software is NOT in the public domain. It is copyrighted by VAS. All rights reserved. Copying, selling, or otherwise distributing this product is a violation of the law.

You may use the Software only on a single machine with only one concurrent input terminal (i.e., only one user at a time). All copying of the Software and the media is strictly prohibited except for loading the Software from the media into the computer memory for the purpose of executing the program and, where the accompanying Documentation expressly permits it, for back-up purposes in support of your use of the Software on a single machine. You must reproduce the copyright notice displayed on the media package on each permitted back-up copy. If two copies of the program are required to perform the functions of the program contact VAS immediately for Network / Multi-User licensing. You are granted no other right to copy, duplicate, modify, adapt or lend, sell, rent, substitute or otherwise transfer to any third party the SOFTWARE. You are granted no right to use the source code of the SOFTWARE in any manner.

LIMITED WARRANTY, LIMITATION OF LIABILITY: VAS warrants to you that the media (i.e., the magnetic media on which the Software is recorded) and the Documentation will be free from defects in materials and workmanship for a period of ninety (90) days from the date of delivery to you, as evidenced by a copy of your receipt (the "Delivery Date"). VAS also warrants to you that the Software will perform substantially in accordance with the Documentation for a period of one (1) year from the Delivery Date when used as directed. There are no other expressed or implied warranties (including implied warranties of merchantability and fitness for a particular use) regarding the software, media or documentation. Except any implied warranties which cannot be disclaimed under applicable law, any such implied warranties covering the media are limited in duration to ninety (90) days from the delivery date. Any such implied warranties covering the software or documentation are limited in duration to one (1) year from delivery date. Your sole and exclusive remedy for any breach of warranty is that VAS, at its option, either will refund or repair the software.

VAS does not warrant that the Software will meet your requirements or that the operation of the Software will be uninterrupted or error free. The foregoing warranties do not apply if you mishandle, alter or improperly use or store the Software, Media, and/or Documentation. Although changes or improvements to the SOFTWARE may be made, VAS will be under no obligation to provide them to YOU, unless YOU remain an active registered user and maintain SOFTWARE maintenance agreements. VAS is not responsible for problems caused in the operating characteristics of computer hardware or computer operating systems which are made after the release of the software. If the media or Documentation are not as warranted, VAS will replace it on an exchange basis without charge. In addition to the foregoing warranties, if for any reason you are not satisfied, you may return the documentation, media and all copies (if any) made there from, to VAS within ninety (90) days of the Delivery Date and VAS will refund your payment for the license fee less installation/hardware costs. Such a return will terminate all your rights to use the Software.

EXCLUSIVE REMEDY: The parties agree that the remedies set forth in this agreement shall constitute the sole and exclusive remedies available for any breach of this agreement, including any breach of warranty, whether expressed or implied. VAS's sole obligation and Customer's exclusive remedy for any warranty failure is the correction or replacement of the nonconforming software or hardware products or services or the refund of an amount not to exceed the actual payments paid by Customer to VAS for the nonconforming products or services.

TRADE SECRETS: You acknowledge that the Software contains trade secrets of VAS. You agree to take all steps necessary to protect the Software and Documentation, as well as any copies thereof, from disclosure. VAS reserves the right to copy protect the Software and media with any means possible either by software and/or hardware solutions. Should such a protection plan take effect, you agree to protect the "Software" and you may not modify or remove said copy protection.

Your obligations under the Agreement will remain in effect until you have returned all those materials.
